Mrs. John E. Osburn, President

Van Nuys, California 91405

Dear Mrs. Osburn:

The second Penny Pines contribution of the Van Nuys Woman's Club has been appreciatively received by the Tujunga Ranger District. The certificate for such is enclosed.

We have recently finished our new Falcon Penny Pines Plantation. Some two years work was culminated with the planting of 17,000 tiny coniferous seedlings at the site. Prior to this we had tractor cleared 35 acres of flat brushland chaparral. We had piled the brush and then burned it with the advent of winter rains. As new brush in the form of sprouts appeared on the area, we concentrated our efforts on applying herbicide to these. In this manner all brush was killed and would therefore be unable to offer growing competition to the young trees.

Presently, we are locating our next Penny Pines site. We will probably establish a new plantation this fall and are choosing among several potential sites.

We want you to know that we appreciate your efforts and interest in our reforestation program.

Very truly yours,

Robert Day

CULTIVATION OF CALIFORNIA WILD FLOWERS

For California- Select a sunny location where flowers will create an eye-catching display. Avoid steep slopes with loose soil ~~and~~ that is subject to erosion. If practical, spade first or in a large area, plow ground, then rake or harrow until soil is pulverized. Should weeds be a problem, ground should be watered several weeks prior to sowing and the weed seedlings destroyed with a nonsterilant spray. This treatment should be done whether or not the area has previously been cultivated.

Seed should be sown in the Fall at the start of the rainy season. Later sowing will result in smaller plants and fewer flowers. With small seed, mix first with fine dry sand to insure more even distribution. Germination will be soon after the first rains, usually with no furthur attention. Should rains be lacking, additional watering will be beneficial.

For Cold Climates- Sow seed in Spring in open ground as soon as danger of frost is over. Cover seeds lightly.

Quantity of Seed Required- For open area about eight pounds per acre. In home gardens an ounce will cover about 150 to 200 square feet.

Dear Mrs. Hamilton:

Enclosed is the Penny Pines Certificate and agreement for the Van Nuys Woman's Club, CFWC. We want to take this opportunity to thank you and other members of your group for taking an interest in our conservation program.

We have cleared 21 acres of brush land in Wildcat Gulch, and this will be planted in January. At present, we are preparing the site for planting by spraying the encroaching brush with herbacide. Inter-planting at the Grizzly Flats Plantation was completed this past year with excellent survival from Penny Pines donations.

We would welcome the opportunity to show you and your members what has been accomplished with the contributions we have received, and our plans for future development. We want you and your members to know that we appreciate your help in making our reforestation program successful.

Very truly yours,

COOPERATIVE CONSERVATION AGREEMENT
FOR
PENNY PINES PLANTATION

Regional Forester, U. S. Forest Service
630 Sansome Street
San Francisco, California 94111

Date Oct 6-1965

Dear Sir:

We understand that upon a contribution of $68.00, or a multiple of that amount, the Forest Service will establish a plantation of one acre, more or less, for each $68.00 (actual size dependent upon the area involved, i.e. northern or southern California forests) or will add an equivalent acreage to an existing plantation on a National Forest in California.

The Forest Service will provide the usual protection from fire, insects, and other hazards, just as is done for other National Forest areas. The plantation will be marked with a standard Forest Service sign. We desire the name of our group, as contributors, to appear on the sign as follows:

VAN NUYS WOMAN'S CLUB, CFWC

(Each contributing group to be listed once only at any one plantation. The name of any individual member of a group to be shown on the Certificate of Plantation only.)

The plantation is to be the property of the people of the United States as a part of the National Forest in which it is located and subject to multiple use management.

It is understood that the contribution of $68.00, or a multiple of that amount, is to be mailed to U. S. Forest Service, 630 Sansome Street, San Francisco, California 94111 by remittance made payable to FOREST SERVICE, U.S.D.A. Such contribution is for deposit to the Cooperative Work Fund, Forest Service. (Act of June 30, 1914, 16 U.S.C. 498) and is to remain available, until expended, to assist in the reforestation of National Forest lands.

It is understood also that no member or Delegate to Congress, or Resident Commissioner, shall have any share or part in this agreement, or to any benefit that may arise therefrom.

This agreement covers the initial contribution and any other contribution which may be made by the contributor during the period of this agreement. The period of this agreement shall be from the date shown above until cancelled by written notice from one party to the other contingent upon the appropriation of funds by Congress to permit the Forest Service to carry out its share of the agreement.

HOUSE OF REPRESENTATIVES
WASHINGTON

22ND DISTRICT
CALIFORNIA

January, 1964

Dear Friends:

It is with great pleasure that I present to you this Flag, which was flown over the United States Capitol.

The story of the origin of our National Flag parallels the story of the origin of our country. As our country received its birthright from the peoples of many lands who gathered on these shores to form a new nation, so did the pattern of the Stars and Stripes rise from several origins in the past to become the symbol of America, its hopes and aspirations.

These ideals are stronger than ever as we face these days of grave decision.

Sincerely,

JAMES C. CORMAN
Member of Congress

This is to certify that the accompanying flag has flown over the United States Capitol.

A MESSAGE FROM THE HOSPITAL DIRECTOR

We of the Hospital Staff have reviewed with pride and appreciation the extensive services that you and your organizations have rendered during the past eight years. Your efforts have provided immeasurable assistance in the care and treatment of our veteran patients. The dedicated manner in which you are serving this hospital is indeed heart warming.

I am extremely happy for the opportunity to welcome you to the "Eighth Annual Volunteer Recognition Ceremony", and to express my sincere gratitude for your services.

T. J. Hardgrove M.D.

T. J. HARDGROVE, M.D.
Hospital Director

A MESSAGE FROM THE CHIEF OF STAFF

To give of oneself is the greatest gift of all. Our volunteers bring to the veterans an understanding, a contact with the world outside the hospital, and a renewed interest in daily living of which there is no measure. Without this interest, care and concern, we could not survive. The treatment of the mentally ill cannot be accomplished with medicine and professional therapy alone. The individual warmth of each volunteer plays an integral part in the treatment program. Their contribution is from the heart . . . an unselfish expression of appreciation to the veterans in their time of need. The volunteers, by joining with the staff, complete the privileged team that serves those who served us all.

It is an honor to pay humble tribute today to our coworkers and friends, the volunteers, for their many hours of dedicated service.

A. Mastrobuono M.D.

TEN COMMITMENTS FOR VOLUNTEERS

Intense personal faith in the work to be done.
Readiness to revise one's own ideas and programs to fit larger needs.
The ability to seek cooperation and the willingness to give it.
Zest for learning and the spirit and courage to experiment, to explore new ways.
Enthusiasm that is contagious in its influence.
The ability to translate and communicate complicated ideas in clear and simple speech.
Continuity, steady as a compass in all kinds of weather.
An innate sensitivity to the feelings and aspirations of others.
Discontent with less than the highest standards of excellence.
A love and devotion deep enough and generous enough to give the most precious gift of all, the gift of one's self.

Paint your face with sunshine,
It will shine clear through.
Bringing light to others
Bringing love to you.

Hearts will be uplifted,
Shadows fade away
For those who are about you
And watch you every day.

Sunshine tints the life
Of all you hold most dear.
So paint your face with sunshine,
Make life for all less drear.

Use the brush each morning,
Wield it firm and strong,
Dipped in loving sunshine
It lasts the whole day long.

by Robert E. Hill

1000 HOUR CLUB

The distinction of membership in the 1000 Hour Club is restricted to those volunteer workers who have received awards in recognition of 1000 hours or more of voluntary service and are still on active volunteer assignment.

Dear Friend:

On behalf of the churches of the San Fernando Valley, I wish to thank you for your recent contribution to the 1956 Bethlehem Star Parade.

Your gift will not only aid the individual churches in their respective float building efforts, but will go far, we think, toward establishing this worthwhile Christmas-time event as a permanent Valley institution.

Sincerely yours,

VETERANS ADMINISTRATION HOSPITAL
SEPULVEDA, CALIFORNIA

Message from the Manager

It has been my great privilege during this past year to see the evolution of a living, functioning hospital. I have had occasion earlier today to thank our staff members for their untiring efforts during this critical period of activation. I am equally aware of the contribution that you, our volunteer workers, have made throughout this crucial year.

Not only have you worked enthusiastically at your various assignments, supplementing the work of our staff, but you have also willingly born with us our growing pains. I cannot promise that the path ahead will be an easy one as we intend to keep growing and with growth come new problems. But I can tell you that we will always be grateful for your loyal and devoted service and that we will continue to look toward you for support.

I have attended your VAVS Committee meetings, seen you at your work, talked with staff about the services you have rendered--all of which has strengthened my conviction that I would not want to run a hospital without a volunteer program to help provide for our patients' needs. Though I can in no way repay your efforts with these few words, I do want to extend the appreciation of both patients and staff for your splendid contributions to the building of a great hospital service.

To the Volunteers *

Mother, bride, housewife, cook—
Time, time, time, consuming.
How can she find the time, and yet,
With all these duties she's assuming,
Somehow the time to light your cigarette?

Confederate, friend, companion, chum—
Talk to her busy mind
To seek the all important means
That all are here to find,
The brighter path to happier scenes.

Volunteers, all of the same design,
Hands, time, hearts and minds--
All used for your enhancement
To help you through the darkened lane,
To walk the life for which you were meant.

I know that God dwells in the hearts
Of those so willing to share,
Without a care for glory or fame,
Their time, their thoughts, their prayer.

If these few words were windows,
Then all who pass might view
Their deeds--so many, so humbly done--
That men might start anew.

No task too great, yet none too small,
No hours spent too long;
No matter how their hearts may ache,
They come with laughter and song.

For the care they give, the hope they bring,
For fears they lull to rest,
For all their gracious kindliness
May they be truly blest!

To the Citizens of Los Angeles at the dedication of this hospital just one year ago, H. V. Higley, Administrator of the Veterans Administration, voiced a sentiment which expressed the hope that this hospital "will become an integral part of your Community". The Citizens of Los Angeles have responded to this challenge! They have made the Administrator's hope come true. What seemed so far distant a year ago has now become a reality. What was once a desert, and more recently, Valley farm land surrounded by mountains, has blossomed like an oasis which did not spring up on its own power. It is the result of the hard work and cooperation of those who have given of their time and services so unselfishly and generously.

It is tradition of the American way of life for Citizens of a community to help one another and to work collectively in worthwhile projects. This tradition has been upheld by those who ten years after the end of World War II are still aware of the obligation we all owe to our sick veterans. No contribution is too small, no task too insignificant. Just as the winning of the war depended on each individual who offered himself to the Nation in her time of distress, so the organization known as a hospital depends for its optimum function on each and every individual who offers his services. No tribute can be too high to offer the many who feel it a privilege to serve their veterans. It is these loyal Citizens who have made the VA Hospital at Sepulveda a vital and active part of this Community.

Choral Prize Awards

Van Nuys Women's Club was awarded first prize, Redondo Beach Women's Club, second, and San Pedro Women's Club, third. Others competing were Beverly Hills Women's Club, South Gate Women's Club, San Gabriel Women's Club and El Segundo Women's Club.

Trophies were donated by Mr. and Mrs. Thornton Kinney. The permanent trophy, a small cup, was won by the Van Nuys club. Charles G. Tingle was director of competing choruses and judges included Hal Davidson Crane, Mrs. Abbey Norton Jamison, Mrs. Nuncie Sabini Bittman, Frederick Setzer and Miss Francis Wright.

The first prize for the District music contest was won by the Van Nuys Woman's Club Chorus ,March 21.1935 and the award was dedicated to the President of the District of Los Angeles, Federation of Women's Clubs, Mrs. Howard Sherwood. It was presented by Mr. and Mrs. Thornton Kinney,who were ardent lovers of music and now is in the trophy case with several other awards.

The Van Nuys Woman's Club Chorus entered the contest sponsored by the music department of the Los Angeles District of Federated Women's Clubs and won the second prize,a loving cup given by Mr.and Mrs. Thornton Kinney. Music was selected by the District Chairman and all who entered the contest sang the same songs.There was a solo part in one of the selections and we were instructed to have the entire soprano section sing it,however,the judges were not informed and gave the first prize to the SanPedro Club because they had a soloist. We lost by one half point. We had spent hours rehersing the solo and had perfected it so that it sounded like one voice. The award is now in a prominent place in the glass cabinet under the clock. Won,April I,I933.

The Van Nuys Junior Club won two loving cups for the greatest number of items in the newspapers during I930-I93I and I932- I933.

The last year the Los Angeles District was in existance, Mrs. Mc Daniel was given a loving cup for being a I00% President. She also won an award for her attendance,I956-I957 at all meetings of the Sierra-Cahuenga District,California Federation of Women's Clubs.
